Out of Position

A group is deemed to be out of position when it has exceeded its 14 minutes per hole or 2 hours and 6 minutes for 9 holes (4 hours and 12 minutes for 18 holes) and has a complete hole on a par four or par five open in front of the group. The group will be notified when it is observed to be out of position and individuals within the group will be timed.

Undue Delay

A competitor “Out of Position” shall be subject to penalty if during the round, he/she takes more than 40 seconds to complete his/her swing. If a player exceeds the time limit on one (1) occasion, he/she will then be cautioned that if he/she exceeds the time limit on one more occasion, (total of 2), he/she will automatically incur a penalty of one stroke, under Rule 6-7. If a player exceeds the time limit on one more occasion (total of 3), he/she will incur an additional two-stroke penalty. If a player exceeds the time limit a total of four (4) times, the penalty is disqualification.

Procedures for Undue Delay

i. Officials will use discretion concerning pace of play of early groups. All groups will be expected to play at a reasonable pace. The first group to start will be considered out of position if, at any place during the round, the group is behind the allotted time to play (14 minutes per hole). The following group will be considered out of position if it, (a) is taking more than the allotted time to play and, (b) reached the tee on a par 4 hole or par 5 hole that is clear of all players. A group out of position will be notified that they are out of position and will be subject to individual timing.

ii. The timing of a player’s stroke will begin when a player has reached his/her ball and it is clearly his/her turn to play. A player will be allowed a maximum of 40 seconds to complete his/her stroke. NOTE: an additional 10 seconds will be allowed for (a) the first to play from the teeing ground on a par 3 hole, (b) the first to play a second stroke on a par 4 or a par 5 hole (c) the first player to play a third stroke on a par 5 hole or (d) the first player to play on or

around the putting green. Time spent selecting a club and other preparation in preparing to play will count as time taken for the next stroke.

iii. If a player exceeds the time limit on one occasion, he/she will immediately be cautioned that if he/she exceeds the time limit once more, he/she will automatically incur a penalty under Rule 6-7 of one (1) stroke.

iv. If a player exceeds the time limit of four times, the penalty is disqualification.

v. All players in a group that is out of position shall be notified they are being timed and observed. Notification to a group out of position will be given after all players have left the teeing ground and prior to playing any subsequent strokes. Being out of position does not necessarily imply slow play. It is relevant that there be no future undue delay when a group is out of position.

vi. Timing will discontinue when the group has regained its position. Times previously recorded that have exceeded the limit, however, will be held over for further occurrence.

vii. Any player who is penalized shall immediately be informed after playing from the teeing ground from the next hole, or in the event of a penalty during play of the last hole of the round, in the scoring area.

viii. Professionals playing in events with invited amateurs are responsible for the amateurs' pace of play.

Professionals not adhering to the above policy or wearing shorts when they are not permitted, or in any manner not consistent with this policy shall be asked to comply with this policy. If, after being requested to adhere to the policy, a player does not comply with any part of this policy, they will be

removed from the tournament (no refund), and brought before the Section Board of Control on a Code of Ethics Violation

Amateur Dress Code

It is the responsibility of section competing professionals to inform amateurs of the dress code. Amateurs shall abide by the dress code of the host facility.

Rules of Play

All tournaments conducted by the NENY PGA shall be played under the Rules of Golf as approved by the USGA, the NENY PGA Hard Card, and all Local Rules at specific events. Except in unusual circumstances, the ball should be played as it lies. All matters of administration, conditions of play, and conduct of play shall be administered under the authority of the NENY PGA Tournament Committee, the NENY PGA Rules Committee Chairman, the Tournament Director, and Host Professional.

Course Preparation and Set-Up

The length of the competition course for NENY PGA events is to be established keeping in mind the nature of the event, the skill of the field, the predicted weather conditions, and the condition of the course itself. In general, courses should be set to a length consistent with that which the better player who frequents the facility would typically play.

In cases where it is deemed necessary to play Preferred Lies, the Local Rule will state that a player may place a ball within one club length of the original spot of the ball, no nearer the hole that is not on a putting green or a hazard.

Tee placement on par three's will be varied to encourage a broad shot selection. Hole placement will be selected according to the type and length of shot that is to be played into the green. The green's turf condition, contour(s) and forecasted weather are to be taken into consideration. There may well be times when a shot cannot be played towards or cannot come to rest near a hole placement due to the player's preceding stroke, lie of the ball, weather, course conditions or contour of the green. Again, this places a desirable premium on accuracy and judgment. There will be times when unpredicted weather conditions or other factors render a hole's set-up unfair. Those cases will be isolated but nonetheless unavoidable. Observation and constructive criticism on the preparation and set-up of courses are welcome and should be directed to the NENY PGA Tournament Committee Chairperson and Tournament Director.

Women's Tees/Same Purse

In accordance with the PGA of America policy for women professional competitors the separate-tee, same-purse policy shall apply.

- The intent of the yardage percentage guidelines is that each hole may not and cannot likely be this exact differential. The guidelines should allow the Committee to use their knowledge and discretion in order to set the golf course up in a manner that is a good test, does not make holes play differently than the design of the hole intended, and most importantly, it allows men and women players to be hitting similar clubs into greens as many holes as possible. Therefore, the overall course yardage for women should not be less than 78% or more than 85% of the men's yardage.

- Women's yardage is written as 85% on a hole by hole basis unless the design of the hole makes it impractical to do so. The Men's tees will be placed where the Committee wants them to go and will place the Women's tees where they best fit.

Guide:

- Par 5 and 85% is not a tee box, will go to a tee box towards a higher percentage if it is three shot hole. If it is a reachable par 5, a tee box towards a lower percentage will be used.

- Par 4 and 85% is not a tee box, if it is long par 4, will go to a tee box towards a higher percentage. If it is a short par 4, will go to a tee box towards a lower percentage.

- A par 3 hole, if 85% is not a tee box, go towards a lower percentage.

- The Committee would like to have a hole played how it is designed. A reachable par five played with a draw should be kept for the playability of the hole.

Ties

Pro Am Events

Team Competition - In the event of a tie for first place only in the team competition, the USGA recommended method of breaking ties will be used to determine a winner. The method is as follows: Ties for first place will be broken by a match of cards. The method to do this is to determine the winner based on the best total score of the last nine holes. In a shotgun or multiple tee start the last nine holes will be deemed to be holes 10-18. If the tying teams have the same score for the last nine holes, determine the winner on the basis of the last six holes, last three holes and finally the 18th hole. If teams are still tied, the same process will be used for the first nine holes. All other places will split money.

Individual Pro and Pro Pro Events In the event of a tie for first place only, a sudden death playoff will be used to determine a winner. All other places will split money. In the case of qualifying events, a sudden death playoff will be used to determine final qualifying spots.

Conduct

PGA Members, Associates, and Pre-Associates should be aware at all times to conduct themselves in a manner befitting a professional and to influence amateur partners to abide by the same standards. By officially entering a NENY PGA event and/or verbally committing to compete, the players agree to abide by the prescribed rules of conduct. Comments or complaints concerning the tournament program shall be made in writing to the Tournament Director or Tournament Committee Chairman. These complaints/charges will be investigated by the Tournament Committee and/or the NENY PGA's Board of Inquiry based on the Class of Penalty. The Tournament Committee will investigate all "Minor" Tournament Penalties and the Board of Inquiry will investigate all "Major" Tournament Penalties. The Board of Inquiry will then make a recommendation to the Tournament Committee and the Board of Director's and/or the PGA of America's Board of Control based on the severity of the penalty.

Section Tournament Penalties, Discipline, and Appeals

Each PGA of America Member, Associate or Pre Associate participant ("Participant") in a Section golf tournament acknowledges the right and authority of the Section to (i) fine and suspend from tournament play; and/or to (ii) fine and permanently bar the Participant from Section tournaments. Any Participant in a Section event hereby releases the PGA of America Section, the PGA of America, the PGA Tournament Corporation, Inc., rules officials, each director, officer, member, employee, agent or representative of any of the foregoing jointly and severally, individually and in their official capacity, of and from any and all claims, demands, damages and causes of action whatsoever, in law or equity, arising out of or in connection with any such decision or action by the Section, PGA of America or any appellate body.

Fines are due and payable within thirty (30) days unless the Participant has made a written appeal. Should the appeal be denied, the fine will be due and payable within thirty (30) days of such denial of appeal; and the Participant will be ineligible to participate in any Section tournament and any other PGA of America tournaments and the tournaments of any other PGA Section until said fine is paid in full.

Advance Notification of Proposed Disciplinary Action

Except for penalties under the Rules of Golf and for "Minor Penalties" (as hereafter defined), any Participant subject to disciplinary action or penalty defined as a "Major Penalty" shall first be notified of such proposed action in writing. Such notice may be presented to the Participant by a tournament official. Within thirty (30) days from the receipt of the notice, the Participant

shall submit to the Section Tournament Director or the Section Executive Director such facts or evidence of mitigating circumstances as may apply. Within thirty (30) days of receipt of such information from the Participant, the Section Tournament Director or the Section Executive Director shall notify the Participant in writing of the imposition of the proposed disciplinary action or penalty, or that the proposed action has been dismissed. After the imposition of any penalty hereunder, the Participant shall have the right to appeal to the Section Board of Inquiry as set forth in Section E herein.

Rules of Golf

Any Participant in a Section tournament who breaches the Rules of Golf of the United States Golf Association or Local Rules in effect for the conduct of such event shall be subject to the penalties provided in such Rules as well as any other penalties imposed by the Section consistent with this policy. The decision of the Section Rules Officials/ and/or the Section Tournament Committee with respect to such Rules breach shall be final and conclusive.

Conduct Unbecoming a Professional

A fine of \$150 shall be levied for the second offense, and a prohibition from participating in Section events for one year shall be levied for the third offense. Classes of Penalties for Section Tournament Offenses

I. MINOR PENALTIES.

A Minor Penalty is a fine of not more than \$150 and/or suspension from tournament play for two or less tournaments. A Minor Penalty may be imposed by the Section tournament officials responsible for the conduct of the tournament.

Appeals

MINOR PENALTIES:

Such appeal shall be received by the Tournament Committee Chair no later than thirty (30) days subsequent to the infraction. The Tournament Committee Chair shall render the decision on appeal in writing within thirty (30) days of the receipt of the appeal and submit a final report to the Section Executive Director. The Section Executive Director shall submit this final report to the Association General Counsel. Such decision shall be final. Notwithstanding the foregoing, in the event that the Section determines that it would prefer that a Minor Penalty shall be submitted to the Board of Control for a hearing in lieu of action by the Section, then the Section Board of Inquiry will follow the same procedures set forth herein for all matters submitted to the Board of Control for Code of Ethics procedures.

MAJOR PENALTIES:

Within thirty days from the date of notification of a Major Penalty, the Participant may submit a written appeal to the Section Board of Inquiry. Failure to file such an appeal shall be deemed conclusively to be an admission of the charges specified in the notification.

Thereafter, the Section Board of Inquiry will prepare a report of the matter to the Board of Control and the matter will be set for a hearing before the Board of Control in accordance with all applicable procedures set forth herein for ethics appeals heard by the Board of Control.

The Board of Control shall hear the appeal either at the next regularly scheduled Board of Control hearing or at an expedited meeting that may be held in person or via conference call at the discretion of the Chair of the Board of Control. The decision of the Board of Control shall be final. An appeal shall operate to stay the effective date of any penalty, except suspension from

a Section tournament then in progress or scheduled for the calendar week in which the alleged violation occurred, until after a final decision on the appeal.

All fines must be paid within thirty (30) days from the imposition of the fine, or in the event of an appeal, within (30) days from the decision rendered by the Board of Control in the event the Board of Control upholds the findings of the Tournament Committee Chair.
